

March is Reading Month

Besides the calendar of daily activities (reprinted on back), your child has a reading goal of 2 AR points a week. They need to read books, in the classroom and at home, and then take the AR tests. You can help by encouraging your child to read books at home and reminding them to take the AR test when they get to school. At the end of each week if they meet the goal, they will get to put two tickets in the drawings for bikes and a chance in the money machine. On the last week, the goal must be met by the end of the day on Wednesday. I know students can meet this challenge. In addition, there will be a classroom prize (TBA) for all kids who meet the goal for all 4 weeks.

Happy Reading,

Mr. Clanton
